Datamax-O'Neil Recognizes Top Partners at *Partners in Progress* Conference

North and Latin America "Partner of the Year" awards presented at Datamax-O'Neil's 2010 Partner Conference

ORLANDO, FL – May 18, 2010 - Datamax-O'Neil, part of Dover Corporation's Product Identification Platform and global provider of label and receipt printing solutions, honored its top achievers in North and Latin America at its 2010 Americas Partner Conference in Orlando, FL, which ran May 12 -14. The company's partners and distributors were measured on a number of key performance metrics, including sales performance, product distribution service levels, sales and marketing teamwork and customer support excellence. Nine partners and distributors were recognized for their strong contributions to Datamax-O'Neil and the channel in 2009.

The following companies received awards:

2009 Partner of the Year

Amesol Group – Latin America – Portable Printers

Demarka – Latin America – Stationary Printers

PaladinID – North America – Printer Supplies

Supply Chain Services – North America – Portable Printers

Thomco – North America – Stationary Printers

T2 Systems – North America – Outstanding New Partner

PRESS RELEASE

2009 Distributor of the Year

BlueStar – North America – Distributor of the Year

Nimax – Latin America - Local Distributor

ScanSource Latin America – Latin America Distributor of the Year

“I want to congratulate the award recipients for their valuable contributions to Datamax-O’Neil and their end-user customers,” said Mike Allocco, regional general manager – Americas. “It was a challenge for us to narrow the field because we value all our partners. Many are deserving of recognition, but our selection came down to partner performance metrics and support of our “right by our customer” culture.”

About Datamax-O’Neil

Datamax-O’Neil is a trusted global provider of stationary and portable label and receipt printing solution products that enable manufacturing and supply markets to capture the benefits of automated product identification and automated legal and financial transactions. Datamax-O’Neil is the barcode and mobile printing business group of Dover Corporation’s Product Identification Group (PIDG), a global platform entity with products and services covering all the leading marking technologies and applications. The company’s products address a wide variety of applications, including those in the industrial, healthcare, retail, automotive and ticketing market sectors. Datamax-O’Neil is headquartered in Orlando, Florida, and maintains key facilities in California, Illinois, and France, as well as sales and technical support offices around the world.
